Online Banking- Online banking is available 24/7 at www.interbank.com. With online banking you can view your account, see bank statements, make transfers, and pay bills.

Mobile Banking- with our mobile app you can view your account, make transfers and deposit paper checks. Service availability and mobile fees may apply.

ATM- Withdraw cash anytime with your debit card at our ATM.

If services are needed that cannot be completed through our Drive Thru or electronic banking systems, please call 806 250 - 5000 during business hours and if necessary we may schedule an appointment in our Lobby.

Ensuring the safety and well-being of our customers and staff is our priority. We will continue to monitor the situation and make changes as necessary.
