5. Animals will be sold on a percentage of breed basis and proportioned among weight classes. Breed champions and reserve breed champions will be sold. If selling both the champion and reserve champion exceeds the number of animals allocated on a percentage basis, the percentage of other breeds will be adjusted accordingly to remain within the sale animal limit. Should a breed champion eligible for the sale be pulled due to the sale limit rule, the system will revert to the percentage procedure.
6. **Sale Checks-** Sale checks will be mailed from the PCJLS to the County Agent/Ag Advisors as soon as possible. Checks will be distributed to participants after thank-you letters are written.
7. Exhibitors will walk through the ring without their animal(s).
8. Two percent (2%) of the selling price of the animals will be retained by PCJLS for repair and improvement of the show facilities as well as promotion of the PCJLS Premium Sale.
9. Premium on animals will be done by the head.
10. Sale order will rotate on a yearly basis with the Grand and Reserve Grand of each species selling in the same order at the beginning of the sale.

Junior Livestock Premium Sale

1. A Junior Livestock Premium Sale will be held under the auspices of a committee directly responsible to and appointed by the PCJLS Stock Show Board. The auction will begin promptly at 1:00 p.m. on Saturday, January 20, 2024, following the Buyers' Luncheon. A maximum of 40% of steers, lambs, barrows, goats exhibited as well as 2 dairy heifers, 2 beef heifers, and 2 rabbits will be sold. In the event that there are less than 140 head in the sale, then the total number sold will be 140 with the remaining sale slots to be divided equally between the steer, lamb, goat, and pig divisions. Order of sale will be determined by the Sale Committee.
2. No animal, or representation of same animal, sold through a premium sale or auction during the ownership period shall be eligible to show at PCJLS.
3. **Sale Limit:** One 4-H or FFA member will be allowed to sell up to two (2) animals in the premium sale. If an exhibitor has more than two (2) animals qualify for the sale, the premium sale animals will be designated as follows: the exhibitor's two (2) highest placing animals will be sold. Should the exhibitor have more than two animals qualify and be of the same placing, then the heavier weight animals will sell. (Ex: 1st place steer, 3rd place barrow, 3rd place lamb- the steer and barrow would sell. The steer was the highest placing animal and the barrow weighed more than the lamb of equal placing.)
4. **Pulls:** If an animal that has placed high enough to qualify for the premium sale is pulled because their owner has two other animals in the sale, the next lower placing animal in that class will be eligible for the sale. This will continue until all sale slots are filled. If a class is completely pulled through, then the eligible slot is given to the biggest class within that breed/division.
