I am Jimmy Burns, Superintendent for Friona ISD, I would like to say thank you for your patience and understanding as we navigate this unprecedented situation. The safety, health and well-being of our students, staff and community is of the utmost importance to us.

Following the directive of Governor Greg Abbott, Friona ISD schools, office and facilities will be closed to the general public from March 23 – April 3, 2020. March 23-27 staff will plan for alternative learning opportunities. Beginning March 30 we will begin alternative learning opportunities for their students. Staff please watch for communication from your campus administrators and directors for what your next steps will be. More information will be provided to staff, students and community through multiple communication channels. Friona ISD will practice social distancing and compliance with the expectation of groups less than 10.

Rest assured no decisions will be made at this time regarding May 2020 activities. Our hope is to honor our seniors in a way they have earned and deserve, it is too early to make this call. Please be advised that meal services will be provided through pick up only from 9 – 11 am starting on Monday, March 23, 2020 at the Junior High Cafeteria. For the latest information, including ongoing meal service visit the Friona ISD website after Friday, May 20, 2020 under the COVID 19 section. THANK YOU for understanding and for your patience. We appreciate your support.

Jimmy J. Burns
Friona ISD Superintendent
